Lola/Cindy,

Attached is the MAC Mtg FRN package for Lola's review. Cindy, Lola will let you know if she see's any fatal flaws or format changes that need to be made before Ed's signature. Once the final document is prepared, Ed will sign three copies to be sent to D.C. Send Lola the final electronic documents and she will upload into the DTS. She does not need a scanned copy of the signature page. We will send the original three copies to WO.

Lola, who should we send the copies to; and is there anything else that needs to go into the package (i.e., a flash drive containing electronic copies of all documents, etc)? We could also send the signed documents back with Ed/Anita. Which would you prefer?
